SUBJECT: Initiative Measure - Dalidio Ranch Project

Ernest, Clara and Kristie Dalidio submitted an initiative petition to amend the County of San Luis Obispo General Plan and Zoning Ordinances to allow for development of the Dalidio Ranch Project. Enclosed is a copy of the Initiative Measure.

The County of San Luis Obispo is providing a copy of the Initiative Measure to the San Luis Obispo County Integrated Waste Management Authority (SLO County IWMA) because the SLO County IWMA has been identified as an agency that may be involved in future permitting of the proposed development if the initiative measure is approved by a majority vote.

In order to be prepared if the initiative measure is approved by a majority vote, the County of San Luis Obispo is asking that your agency provide the following information **by June 26, 2006**:

- ◆ Name of Contact Person, address, phone number and email address
- ◆ *No* If a permit or other authorization would be necessary from the SLO County IWMA, or if it cannot be determined at this time whether a permit or other authorization would be necessary, under what circumstances would a permit or other authorization be necessary
- ◆ *No* If a permit or other authorization would be necessary from the SLO County IWMA, whether that permit or authorization would not allow the issuance of a County Construction Permit until the permit or authorization is granted

This information may be used in public meetings held on this issue. In addition, your agency may be asked to speak at public meetings held on this issue.

Thank you in advance for your assistance on this matter. If you have any questions about this letter, please feel free to contact me at 805-781-5193.

Sincerely,

Kami Griffin, Supervising Planner
Current Planning Division
